

## **FORMAT OF PRESENTATION Nomadic Circus VR (schools/ libraries)**

**BUILT UP:** 2 hours

**BUILT DOWN:** 2 hours

### **GENERAL INFORMATION**

The experience is adaptable according to the performance venue ; both in its time of installation ( scenography, light design) and audience capacity . We receive between 10 to 15 people every 45 minutes. The performance is ongoing and we present up to 8 times a day (possibility of add supplémentaire sessions (up to 12 per day for an additional price).

*We kindly ask the organiser to send us pictures and exact dimensions of the performance venue minimum 1 month in advance to facilitate the installation process.*

### **STAGE INFORMATION**

- Ideally a flat, leveled floor
- Indoors (room / studio), in a low light and preferably quiet space or possibility to create a feeling of "black box".

Minimum stage dimensions required :

Audience of 10 per session : 6m x 6m

Audience of 15 per session : 7m x 7m

### **ADDITIONAL DEMAND**

- Please check that you can provide a 4G network on site
- One person from the organization to receive the public before each session and help with disinfection of VR headset between each session.

## STAGE EQUIPMENT

- 10 - 15 rotating chairs\*
- 2 fans on stand\*
- 2 large tables for VR headsets (75cmx160cm)
- 1 small table (40x80)\*

## SOUND

If there is a already existing sound system in the venue please let us know

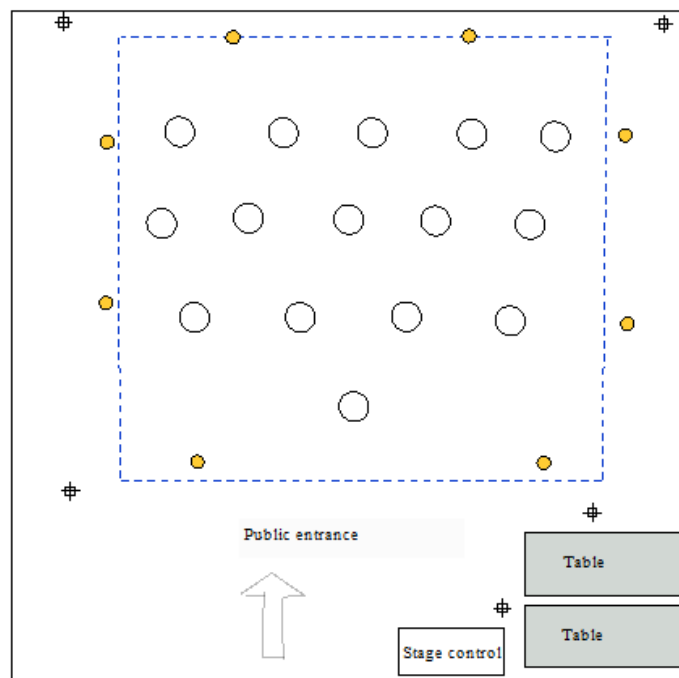

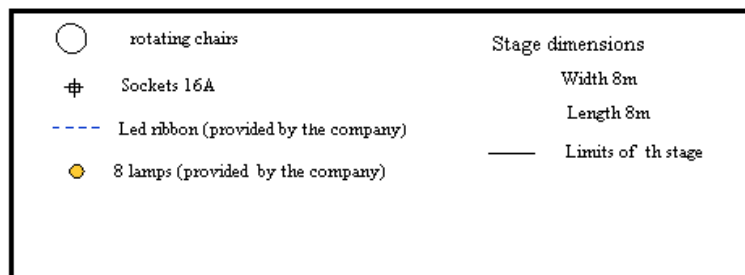

## CABLING

- 6 extensions cords of min 5m\*
- 4 extensions cords of 2m\*
- 4 multiplugs with 2 sockets\*
- 4 multiplugs with 3 sockets\*
- 3 multiplugs with 4 sockets\*
- 5 x16A power sockets

**\* provided by the company if travelling by truck.**

**If the travel is made by train/plane: to be provided by the organizer.**
